DreamKey Partners is a Silver Sponsor for the Alpha Summit for Real Estate Finance and Development in Minority Communities

August 9, 2024

DreamKey Partners today announced its sponsorship in support of the Alpha Summit on Real Estate Finance and Development (Alpha Summit – alpharealestatesummit.com). The Alpha Summit is a workshop-driven conference designed to strengthen the capacity of the summit participants, primarily minority and female entrepreneurs to be successful in their real estate development or finance business either on an individual basis or on a collaborative or institutional basis; networking and business development; and knowledge-sharing on opportunities and emerging trends in real estate financing and development.

This Alpha Summit will be held November 14-16th, 2024, in Charlotte, North Carolina. The inaugural Alpha Summit was held last January in Nashville and attracted over 250 participants from across the country with over thirty speakers. The Alpha Summit is the brainchild and is being organized by three minority firms with significant background, expertise and success in development, urban planning, development finance and other elements related to community development and affordable housing. The November 14-16th Alpha Summit in Charlotte is expected to attract 300+ participants and over thirty (30) speakers and presenters. The Summit is open to all people regardless of their level of expertise or experience.

DreamKey Partners has been a driving force in real estate development, with a remarkable investment of almost \$400 million over the last 35 years.
